PRESS RELEASE

Blue Ridge Networks, Inc. Announces Strategic Partnership Expansion with Red River

CHANTILLY, Va. – September 3, 2024 – Blue Ridge Networks, Inc., a proven provider of OT Cybersecurity solutions announced today that it has expanded its strategic partnership with Red River, a technology transformation company serving government and enterprise customers.

This partnership expansion enables Red River to broaden its solution portfolio to include OT cyber solutions to protect critical infrastructure in both commercial and public sectors. Blue Ridge's LinkGuard™ CyberCloak™ network security solution will be provided as part of Red River's managed service offerings.

John Higginbotham, CEO of Blue Ridge Networks, Inc., expressed his enthusiasm for the expanded partnership, "We are excited that Red River is expanding their OT managed service offerings to include LinkGuard CyberCloak as a preventive cybersecurity solution for critical infrastructure."

As cyber threats continue to evolve, the importance of robust cybersecurity measures cannot be overstated. This expanded partnership between Blue Ridge Networks, Inc. and Red River underscores a shared commitment to enhancing network security across both commercial and public sectors. By combining their strengths, the two companies aim to provide exceptional OT cybersecurity solutions that ensure the protection of critical assets, data, and operations.
